

Dr. Toni Hatton, The Attractive Thinker is a Vision and Mindset Expert, Speaker, Certified Health Coach, Author of *Don't Be Afraid: He's Preparing You!*, Creator of **The Attractive Thinker Movement** and the *Instantly Implement! 12 Weeks to Vision & Mindset Clarity Program*, has written and recorded several songs, and was the Host of **The Attractive Thinker Radio Program** for Radio One in Baltimore for 2 years! Dr. Toni is the recipient of a Governor's Citation and a Honorary Doctorate Degree for the transformation that she provides in the community! A defining moment that could have dimmed her light actually gave her insight! As a result of showing her son how to see without eyes, it enabled her to show people with eyes how to see! ...how to properly see in life because his darkness became her light!! Dr. Toni now supports New & Aspiring Entrepreneurs and people who struggle to accomplish their visions, dreams, and goals with getting clear about what they really want, in bringing their vision into focus, and in creating a plan that makes that dream become their new reality! Dr. Toni supports her clients through Private and Group Coaching Programs where to date her practice has prevented 3 suicides, supported Attractive Thinkers in finding their purpose in their pain, and supported 1,000's in shifting from hopeless to hopeful & from devastation to determination! When Attractive Thinkers come into her presence they get clear, experience a calming peace, release stress, embrace their creativity, and leave on FIRE ready to create, live, and leave a legacy that speaks when they no longer can! Using her ability to find things that are lost and fix things that are broken, Dr. Toni pulls the gems from your journey, gives you life-altering Attractive Thinker Tools that uproot faulty beliefs, eliminate fears, and develop confidence and business courage! Dr. Toni is a mom of 4... 3 adults and 1 teenager all of which she homeschooled for 11 years after serving in the public school system as a PTA Vice President and Special Needs Advocate. Listen... if you know that something has to change, but you're not sure what or how, then take out your Attractive Thinker Notebook and a pen and get ready to see beyond what you're looking at because you're too great to be defined by your current circumstances! Contact The Attractive Thinker at 410-298-2121 to schedule your complimentary **Vision Consultation** and visit www.theattractivethinker.guru to get your FREE audio, "**Turn Your Problems Into Your Solutions!**" Dr. Toni's life's work is to make your life better! Her motto is, "It's not what you're going through, but how you're viewing it! **Warning! When a Vision**

Expert is in the house, expect for your perception to shift, your vision to come into focus, and your next steps to be clear!
