

Shifting Perceptions

Creating New Realities

Searching for a Results-Oriented, Transformational Speaker to Get Your Audience to Buy Into Your Vision? Get ready for Vision & Mindset Expert...

Dr. Toni Hatton, The Attractive Thinker!

How far can you see? Is it a challenge or an opportunity? Ever wonder how you're going to make it, how to see beyond your current circumstances, or how to organize your goals, stay focused, and get real results in your life? Lack of vision can affect your ability to move forward, how you see yourself, and affect your desired outcome! Eyesight can only reveal your current circumstances, but vision takes you to a whole new world, where visions become real realities!

"Toni's incredible life story has given her keen insight and understanding to help others to move from lack of vision in life to 20/20 vision so they can truly see!"

Signature Talks:

- Hold Onto Your Wagon!
- It's Not What You're Going Through, But How You're Viewing It!
- Your Body Can Heal Itself!
- Strengthen What Remains!
- Think Attractively!
- Develop Your Vision

Dr. Toni Hatton, The Attractive Thinker is a Vision and Mindset Expert, Speaker, Certified Health Coach, Author of Don't Be Afraid: He's Preparing You!, Creator of The Attractive Thinker Movement and the Instantly Implement! 12 Weeks to Vision & Mindset Clarity Program, hosted The Attractive Thinker Radio Program for Radio One in Baltimore for 2 years! Dr. Toni is the recipient of a Governor's Citation and a Honorary Doctorate Degree! A defining moment that could have dimmed her light actually gave her insight! As a result of showing her son how to see without eyes, it enabled her to show people with eyes how to see! ...how to properly see in life because his darkness became her light!! Dr. Toni now supports New, Aspiring, & Current Entrepreneurs with getting clear about who they truly are, what they really want, clarifying their vision, and creating a plan that makes that dream become their new reality! "You could not have presented a greater conversation masterpiece, "Self-Assessing to Manifesting Your Dreams with Vision", which truly allowed me as well as my listeners to shift our mindset, look at our journey through a different lens, and "think attractively". Most importantly, my vision has become clearer as I am able to boldly treasure my gems and now fulfill a greater calling for my life. I would highly recommend you as a featured speaker on various platforms including radio shows, TV broadcasts, conferences, and more!"
